My academic background is more in Graphic Design, but I frequently take on projects on my own to further my knowledge of Web Design and Development. I believe my strong background in Graphic Design has helped me as a Web Designer. My experience and knowledge provide me with the capability to handle and deliver tasks in a beautiful yet efficient way.

Education

- 2009 - 2011 **Associate in Science Degree**
in Graphic Design
Pittsburgh Technical Institute
- 2011 - 2013 **Bachelor's of Fine Arts Degree**
with focus on Graphic Design
Clarion University of Pennsylvania

Experience

- Present - 2015 **Graphic Designer**
Greater Pittsburgh Specialty Advertsing
Millvale, PA

Responsibilities include creating and developing designs for screen print and embroidery. Manage up to 20 different projects at a time. Recommended and consulted with clients to obtain the most appropriate design options for their products. Oversee production and quickly assisted in any issues they may have had with artwork or any technical printing problems. Manage our eCommerce stores from start to finish.
- 2015 - 2013 **Graphic Designer**
Standard Pennant Co., Inc.
Big Run, PA

Responsibilities include creating and developing designs for screen print and embroidery. Utilized the order management system more efficiently to process orders and proof designs to clients.
- 2011 **Graphic Design Intern**
Vance Wright Adams
Pittsburgh, PA

Responsibilities include assisting graphic and web designers with various tasks involving graphic and web design. Organized documents and distributed work orders to employees. Assisted with production and shipping products.
